

THE ERGONOMIC
PONYCHAIR® SADDLE CHAIR

PONYCHAIR.FI

GREAT ERGONOMICS

Boost your workday with a saddle chair

The Ponychair® saddle chair makes it easy to find an ergonomic and upright sitting posture. The ergonomic posture distributes body weight evenly and improves circulation.

The saddle chair is easy to adjust and allows smooth movement. Getting on and off the chair is effortless.

PONYCHAIR® COLLECTION

You can choose from three upholstery materials: leather, faux leather and cloth. Several colour options are available for the leather and faux leather upholstery. The cloth upholstery is black.

The Ponychair® is also available as an ESD static-dissipative version, which is ideal for working in anti-static environments.

PONYCHAIR® IS A SUSTAINABLE CHOICE

The saddle chair is made in Finland using high-quality materials and components that ensure durability. The Ponychair® saddle chair has a five-year warranty.
