

# PLAN

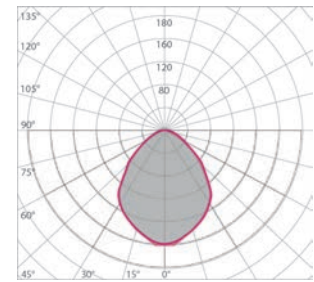

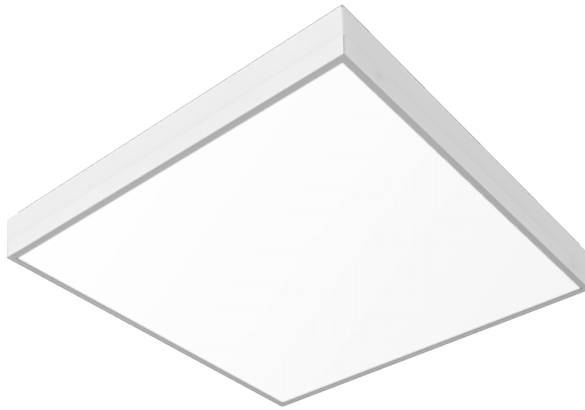

Con il suo design semplice e lineare, PLAN si sposa perfettamente con le linee architettoniche moderne.

Questa lampada ad incasso con LED ad alta resa cromatica rappresenta una giusta alternativa alle lampade a sospensione all'interno degli studi dentistici dove sia presente un controsoffitto.

Thanks to its simple and linear design, PLAN results perfect to go together with modern architecture.

This lighting fitting for recessed installation with high colour rendering it represents a good alternative to suspended lights in the dental clinics with false ceiling.
